RE: Janice Tangradi v. Fortive Corporation, *et al.*
Case No.: 2:21-cv-02165-JHS
Our File No.: 0061143.0420861

Dear Judge Slowsky:

Previously the parties wrote requesting that the court postpone the Rule 16 conference to allow the parties time to attempt private mediation. The parties have worked diligently to select a mediator, schedule mediation and exchange some basic information regarding the product's identity and damage related documents. The first available date for mediation with the agreed-upon mediator is September 20, 2023. The parties have reserved that day for mediation and respectfully request an additional 45-60 days to complete mediation before the Rule 16 conference is scheduled.

Counsel for the parties will make themselves available at your convenience to discuss any questions you have. Thank you for your consideration in this matter.

Very truly yours,

Douglas M. Grimsley
